

Expanding Horizons Children's Center

School Age Program

Dear Parents,

Our school age program includes various water activities. We would like your permission for your child to participate in these activities. This will include use of our inflatable water slide. Please fill out and return this form.

I give permission for my son/daughter _____ to participate in daily water activities at Expanding Horizons.

Does your child have tubes in his/her ears? YES/NO

If so, does he/she require ear plugs? YES/NO

Your child will need a bathing suit and towel (labeled with his/her name). To be kept here during the week. The bathing suit and towel MUST go home on Fridays to be washed. Your child must also have sun block and signed permission to apply the sun block as well. Children will reapply sun block prior to participating in water activities.
